

INDEPENDENT LIMITED ASSURANCE STATEMENT

To: The Stakeholders of ORLEN Group and ORLEN S.A.

Introduction and objectives of work

BUREAU VERITAS Polska Sp. z o. o. (Bureau Veritas) has been engaged by ORLEN S.A. to provide limited assurance of information and data prepared in *ORLEN Group Integrated Report 2022* (The Report). This Assurance Statement applies to the related information included within the scope of work described below.

Selected information

The scope of our work was limited to assurance over GRI Standards Disclosures (Consolidated set of GRI Sustainability Reporting Standards), included in the Report for the period January 1st 2022 to December 31st 2022; GRI Standards 2021, including GRI 11: Oil and Gas Sector 2021: 2.1 to 2.30 (included), 3.1,2,3, 11.1.1 to 11.20.6 (included) as well as 11.21.4 to 11.21.7 and 11.22.1,2.

Excluded from the scope of our work is any assurance of other information included in the Report.

Reporting Criteria

The Selected Information needs to be read and understood together with the standards for sustainability reporting The GRI Standards 2016, 2018, 2020 and 2021 as set out at <https://www.globalreporting.org>.

Limitations and Exclusions

Excluded from the scope of our work is any verification of information relating to:

- Activities outside the defined verification period;
- Positional statements (expressions of opinion, belief, aim or future intention by PKN ORLEN S.A., and statements of future commitment).

This limited assurance engagement relies on a risk based selected sample of sustainability data and the associated limitations that this entails. The reliability of the reported data is dependent on the accuracy of metering and other production measurement arrangements employed at site level, not addressed as part of this assurance. This independent statement should not be relied upon to detect all errors, omissions or misstatements that may exist.

Responsibilities

This preparation and presentation of the Selected Information in the Report are the sole responsibility of the management of ORLEN S.A.

Bureau Veritas was not involved in the drafting of the Report or the Reporting Criteria. Our responsibilities were to:

- obtain limited assurance about whether the Selected Information has been prepared in accordance with the Reporting Criteria,
- form an independent conclusion based on the assurance procedures performed and evidence obtained, and
- report our conclusions to the Directors of ORLEN S.A.

Assessment Standard

We performed our work in accordance with International Standard on Assurance Engagements (ISAE) 3000 Revised, Assurance Engagements Other than Audits or Reviews of Historical Financial Information (effective for assurance reports dated on or after December 15, 2015), issued by the International Auditing and Assurance Standards Board.

Summary of work performed

As part of our independent verification, our work included:

1. Assessing the appropriateness of the Reporting Criteria for the Selected Information.
2. Conducting interviews with relevant personnel of ORLEN S.A.
3. Reviewing the data collection and consolidation processes used to compile Selected Information, including assessing assumptions made, and the data scope and reporting boundaries.
4. Reviewing documentary evidence provided by ORLEN S.A.
5. Agreeing a selection of the Selected Information to the corresponding source documentation.
6. Reviewing ORLEN S.A.'s systems for quantitative data aggregation and analysis.
7. Assessing the disclosure and presentation of the Selected Information to ensure consistency with assured information.

Conclusion

On the basis of our methodology and the activities described above:

- Nothing has come to our attention to indicate that the Selected Information is not fairly stated in all material respects.

Evaluation against GRI Standards

Bureau Veritas Polska Sp. z o.o. undertook an evaluation of The Report against the GRI Standards. This included cross checking the GRI index table against all the reference documents to provide an opinion on the self-declared GRI application level.

Based on our work, it is our opinion that report *Integrated Sustainable Report 2022* has been prepared in accordance with standards for sustainability reporting The GRI Standards 2021.
